

Marí a Luisa Zú ñ iga, Dr.P.H., M.P.I.A.

Assistant Professor
Director of Program Evaluation
Division of Community Pediatrics
Department of Pediatrics
University of California, San Diego School of Medicine

Research Interests

My major research interests are health issues in Latino communities, community-based participatory research, health issues and disparities in the U.S.-Mexico border region (e.g., diabetes, HIV, tuberculosis, infant immunization), and health literacy
